We are volunteers who believe in democracy.

We register everyone, regardless of party.

We are not paid to register folks, nor do we pay folks to register them.

VOTER REGISTRATION DRIVE SET-UP GUIDE

TIPS:

- Pick a location where there is a lot of foot traffic: grocery stores, college campuses, high schools, community centers, fairs and festivals, rallies and marches.
- Contact the owner of the facility or organizer of the farmer's market/festival or Dean of the college to ask permission to staff a nonpartisan voter registration table. You may say *"I'm a volunteer with ATNJ Education Fund and I would like to bring and staff a nonpartisan voter registration table at your event/facility."*
- Bring a foldable table and two chairs for set up. Bring also:
 - pens
 - paper forms (voter registration form and VBM Application form)
 - clipboards
 - acrylic sign holders to display the QR code and information
 - tape to secure things if needed
 - refillable water, SPF or hat if sunny location, mini-treats for people walking by (e.g. mints, mini-chocolates, stickers)
- Expect 1-2 new voter registrations per hour staffed. Expect many more engagements in the form of Q&A eg. voter registration deadline, reasons why a voter would need to update their voter registration, what is Vote By Mail.
- Display the QR code for Online Voter Registration. Encourage folks to register or update their voter registration directly with OVR. For those uncomfortable with using a QR code, you can provide them with a blank paper Voter Registration Form. VBM Applications can currently only be done with a paper form. In January 2026, New Jersey should have VBM application available online.
- Display the items in this guide (denoted by this symbol  in the following pages) using the acrylic sign holders.
- Print and wear your volunteer badge.
- Have a good time serving your community!
- **And lastly, if you do not know the answer, say "I do not have the answer to that, but please call the hotline: Voting Information & Assistance 1-877-NJ-VOTER (1-877-658-6837) TTY/TDD 609-292-0034**

TIPS FOR THE VOLUNTEER:

DOs and DON'Ts

- For paper applications:
 - Before the applicant leaves, check to make sure the entire form is completely filled out by the voter. All fields are required unless marked 'optional'.
 - If the applicant has difficulty completing the form on their own (ex: disability, language), volunteers can help them to complete the form at the voter's direction including providing translation; however, only the applicant can sign the form. If you assisted, you must fill in your information in the box that indicated that you completed the form.
 - Do not alter or write on the form in any way after the voter has left, whether it is incomplete or not.
 - Do turn in all voter registration forms to the County Clerk's office as soon as possible.
- Do ask everybody who is a US citizen - regardless of party - to register to vote!
- Do not offer any incentives for filling out the voter application form.

WHAT IS VOTER REGISTRATION FRAUD?

- Asking someone to fill in information that is not true and accurate OR on behalf of another person.
- Knowingly asking a person who is not eligible to register to vote to complete an application to do so.
- Leading a person to believe what they are filling out is not a VR application.
- Putting fake or made-up information on the applications.
- Filling in any information on an incomplete application, including checking any unchecked boxes, without that person's consent.
